The Marquee Suite

Your Wedding at Springfields

A beautiful setting for your wedding

The Marquee Suite at Springfields Events and Conference Centre is one of Lincolnshire's most unique wedding venues. With cream coloured lining, chandelier lighting, wooden dance floor, bar and stage, the Marquee Suite provides the complete interior ambience of a wedding marquee, but with one essential difference; it is an indoor marquee, permanently sited in one of our event rooms which eliminates the worry of what the weather will be like on your special day.

With seating for up to 200 guests, a menu choice to meet your budget, help and support from our experienced in-house event and catering team plus free parking and access to our Festival Gardens for those memorable photos, the Marquee Suite offers you the opportunity for a relaxed and enjoyable occasion with your family and friends.

The Patio Gardens

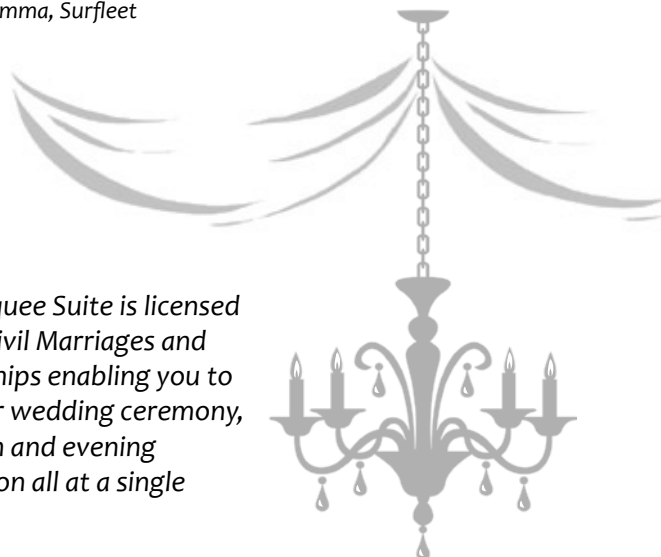

The Patio Gardens, adjoining the Marquee Suite, provide ample space for you and your guests to relax. This is a private garden which is offered as part of our wedding package and where drinks can be served either from our Patio Room bar or a gazebo on the lawn. It is also ideal for a barbeque or hog roast and is a secure area for children to play. Bouncy castles and play equipment can be hired in if required.

"Nothing was too much trouble for the staff at Springfields - they made us feel very special and gave us the perfect wedding we'd dreamed of"

Andy and Emma, Surfleet

The Marquee Suite is licensed to hold Civil Marriages and Partnerships enabling you to hold your wedding ceremony, reception and evening celebration all at a single location.

Our Patio Room can accommodate smaller Ceremonies and can also be used for Wedding Breakfasts and Evening Celebrations for up to 60 guests. The Patio Room has its own private bar, and a small dance floor can be provided if required.

For the larger Ceremonies, we can seat up to 400 in the Marquee Suite. Our Main Hall can accommodate up to 600 guests for a Wedding Breakfast and Evening Celebration. The Main Hall has its own bar and dance area, and we can include a stage for a band or other entertainment.

The Wedding Breakfast

Your Wedding at Springfields

Impress your guests!

Our excellent in-house caterers are available to discuss your ideas for the wedding breakfast menu. Options include a three or four course meal with waitress service, a carvery, an outdoor barbecue or perhaps a hog roast.

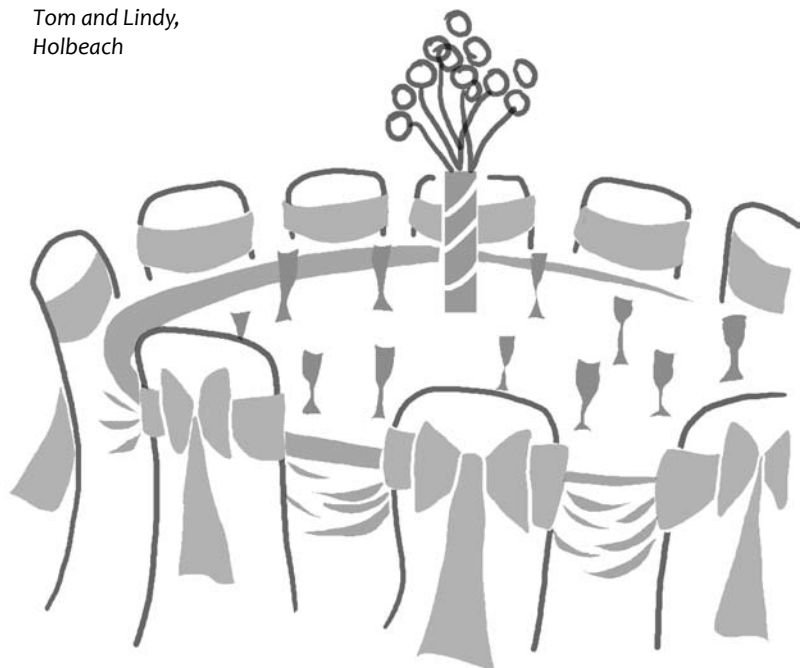

As all our food is prepared in our own on-site kitchens you can choose precisely what you would like your guests to be served and, importantly, how much you would like to spend. We can also prepare food for those with any special dietary needs and agree menu options and prices for children's meals.

Menu samples are provided purely as a guide to the wide variety of options we can make available.

The Marquee Suite has its own fully stocked bar and in addition we offer the use of our Patio Room bar for arrival drinks prior to the Bride and Groom welcoming their guests into the Marquee Suite.

"Our guests were amazed by the fantastic food and friendly service"
