

# Now 80's

A fantastic 80's themed band with a tremendous UK following.

This well-established 80's tribute band have built up an incredible UK following with their repertoire of hits – from Queen and Madness to Dolly and Kylie!

They've worked with many famous faces, including supporting The Lightning Seeds, and performed for clients and venues including Jamie Oliver, Chicago Rock Cafes, Saatchi and Saatchi, and many more.

Get ready to be transported back to the 80's – the music, the dancing, the clothes, and of course, the hair and make-up!!
